## **Grey House Publishing Announces the 2016 Edition of *Food & Beverage Market Place***

Grey House Publishing is proud to announce the publication of the 2016 edition of *Food & Beverage Market Place*. This updated edition is the most comprehensive resource of U.S. food and beverage manufacturers and service suppliers available on the market today.

In three packed volumes, *Food & Beverage Market Place, 2016* profiles over 43,000 companies—882 of which are brand-new to this edition—for complete coverage of all sectors of this dynamic industry. Companies covered include: finished goods and ingredient manufacturers, equipment providers, and third party logistics providers such as transporters, warehouses, wholesalers, brokers, importers, and exporters.

Volume 1 covers 13,350 **Food, Beverage & Ingredient Manufacturers**. The first section provides a list of all the categories in which the products are listed. These categories include products from Abalone to Zinc Citrate and everything in-between. The second section provides a list of all the manufacturers associated with the products listed in the first section, with manufacturers listed alphabetically by Product Category. Here, users will find abbreviated company entries, making quick and easy work of locating manufacturers within a specific product category. The third section features an alphabetical list of all food and beverage manufacturers. These expanded profiles include complete contact information, lists of key executives, and company data, such as estimated annual sales, number of employees, and brands produced.

Volume 2 covers 13,421 **Equipment, Supply & Service Providers**, beginning with a product category list that includes everything from Adhesive and Backers Magnet Label to Vacuum Bags and Zipper Application. The second section, as in Volume 1, provides the list of producers for each product in the first section. The third section contains all expanded company profiles within this volume.

Volume 3 covers **Third Party Logistics**, including 1,344 **Brokers**, 9,052 **Importers & Exporters**, 681 **Transportation Firms**, 1,302 **Warehouse Companies**, and 5,885 **Wholesalers & Distributors**. Each section follows a similar format as Volumes I and II, beginning with an alphabetical list of company profiles and ending with indices specific to the section.

In addition to company profiles, this edition has **19 Indexes**, 17 of which chapter-specific and arranged by geographic region, product, or company type, while two others—All Brands and All Companies—include information from all three volumes combined. Finally, chapters also include User Guides that help researchers navigate chapter-specific data.
