**Grey House Publishing announces the new 2014 edition of
Older Americans Information Directory
Now With Three Months Free Companion Online Access**

In this climate of not only more older Americans, but also more active and achieving Americans, this edition of *Older Americans Information Directory* is an invaluable resource. It is a one volume, easy-to-use source that offers up-to-date information on the prevalent social, health and financial issues facing older Americans in the 21st Century, as well as recreational and educational opportunities to enrich their lives.

The ninth edition of *Older Americans Information Directory* answers a variety of questions on the minds of older Americans – a population that will increase to 72.1 million by the year 2030, up from 39.6 in 2009. This award-winning directory is designed to help this growing population find the resources they need to continue leading long, happy, healthy and productive lives.

Older Americans Information Directory includes 11,764 listings, 10,713 fax numbers, 4,247 emails, 7,291 web sites, and 10,278 key contact names. The listings are thoughtfully organized into 12 major chapters, including Organizations, Agencies, Awards, Continuing Education, Disability Aids, Living Facilities, Legal Resources, Libraries and Print Resources.

This kind of comprehensive and up-to-date information would cost thousands of dollars to replicate or countless hours of searching to find. This invaluable resource includes :

- **Significant updates with hundreds of new entries and thousands of enhancements**
- **New Articles on Social Agencies, Self-Advocacy, Laws Governing Senior Citizens and Building Healthy Routines**
- **Listings include key contact information and a brief description of organizations, products or services that support the senior population**
- **Helpful Glossary of Terms**

– continued –

- **Three indexes: Entry Index, Subject Index and Geographic Index**
- **Available in print and GOLD online database formats**

And also the most important resources for Older Americans including:

- **National, Regional, State & Local Organizations**
- **Government Agencies**
- **Research Centers, Libraries & Information Centers**
- **Legal Resources**
- **Discount Travel Information**
- **Continuing Education Programs**
- **Disability Aids & Assistive Devices**
- **Assisted Living Centers & Facilities**
- **Health and Print & Electronic Media**

This important directory will be a welcome addition to any reference collection that serves this age demographic. It is a must-have resource for any public, academic, or special library serving a senior population and for libraries supporting health sciences programs. Recommended for those working with the elderly, as well as students, professionals/practitioners and general readers.
