Universal Reference Publications announces the First Edition of *America's Top-Rated Small Towns & Cities*

Universal Reference Publications, an imprint of Grey House Publishing, is proud to announce the publication of the First Edition of *America's Top-Rated Small Towns & Cities*. This brand new publication provides detailed profiles and comparative statistics of 8,908 small towns and cities across the country with populations from 3,000 to 25,000.

Some of the "Best towns & Cities" include:

**Sun Lakes AZ * Sunset Hills MO * Greenwood Village CO * Marblehead MA * Du Pont WA
Celebration FL * Mountain Park GA * Melody Hill IN * River Ridge LA * Amherst NH
Hastings-on-Hudson NY * New Canaan CT * Del Mar CA * Myrtle Grove NC * Verona WI
Hailey ID * Hawthorn Woods IL * Bellaire TX * Deerfield MI * Lake Elmo MN**

Each state chapter begins with a "Best Places" rating index, where each of the towns and cities are listed by their rating, 5 stars being the best. Following the ratings index, is a profile of each town and city. Each profile contains data on fields from income and housing values, to education and taxes, offering a solid overview of the town.

Within each state chapter is a Comparative Rankings section with charts for 29 Data points like Population Growth, Educational Attainment, Income Levels, Home Ownership and more. These informative charts allow users to quickly see how the cities compare with one another, whether they are located nearby or across the state. National Comparative Rankings are also provided following the state chapters.

Universal Reference Publications Announces the First Edition of *America's Top-Rated Small Towns & Cities*

Geographical Data in each profile includes land and water area, latitude, longitude and elevation. History Data gives interesting facts and figures, as well as name origin, best known for... and famous residents. Each of the 29 data points gives straight forward data and compares it to the rest of the towns and cities within the state.

A National Best Places Index allows the user to quickly find the best small towns and cities across the US. A Master Alphabetical Place Name Index is provided to make easy work of locating data on a particular place. Both may be found at the end of Volume 2.

America's Top-Rated Small Towns & Cities is designed for a wide range of readers: private individuals considering relocating a residence or business; government agencies; general and market researchers; and real estate consultants. This outstanding source of information will be widely used in any reference collection.
