**Grey House Publishing announces the 21st Edition of
America's Top-Rated Cities, 2014
Now With Free Companion Online Access**

Grey House Publishing is proud to announce the Twenty-First edition of *America's Top-Rated Cities*. This four-volume set provides current, comprehensive statistical information and other essential data in one easy-to-use source on the top 100 cities that have been cited as the best for business and living in the United States.

As an added bonus, print edition buyers receive one year of free online access to *America's Top-Rated Cities, 2014*. With this feature, multiple users can search through over 50 sortable ranking tables and browse the entire rich compilation of accessible data that *America's Top-Rated Cities* has to offer in one easy-to-use online format.

Each city chapter is divided into three major sections: **Background** (updated with significant news in both business and living environments), **Rankings** (enhanced with survey results from over 200 sources), and **Statistical Tables** (updated with new data plus many new data points). Every chapter is followed by **Comparative Statistics**, which arrange the data across 73 tables. The four appendices and maps of each region will make finding specific or comparative data easy.

Also included:

✓ **Statistical data** covers cost of living, finances, taxes, population, commercial real estate, education, major employers, media, crime, climate, housing vacancies, tax audits, bankruptcy, presidential election results and more.

✓ **Comparative Statistics** for over 40 categories allow for easy comparison and trend-spotting

✓ **Four Appendices:** Chambers of Commerce, State Departments of Labor and Employment, Historical Metropolitan Area Definitions and Current Metropolitan Area Definitions

There are four volumes in each set, each covering a specific region of the United States: South, West, Central, and East. Each volume can be purchased separately or as a set.

America's Top-Rated Cities is a vital and useful information source and is a valuable addition to libraries of all kinds, from professional to academic. It is designed for a wide range of readers: private individuals considering relocating a residence or business; professionals considering expanding their business or changing careers; government agencies; general and market researchers; real estate consultants; human resource personnel; urban planners and investors.

Praise for the previous edition:

"Top-Rated Cities provides more information (ten to 20 pages per entry). It's a valuable addition to the literature for its concise, varied information, in-depth coverage and clear organization. Recommended for all public, academic, and special libraries." – **CHOICE**

"This is the most comprehensive compilation of statistics on cities available... Highly recommended for business libraries serving the public and academic libraries with marketing students." – **Journal of Business & Finance Librarianship**
