Grey House Publishing Announces the First Edition of the *Digestive Disorders Handbook & Resource Guide*

Grey House is pleased to add *Digestive Disorders Handbook & Resource Guide* to its award-winning Health & Wellness series. This new title is designed to bring together necessary and valuable information for anyone living with a digestive disorder and other comorbid health conditions.

Digestive Disorders Handbook & Resource Guide offers easy-to-understand educational information for consumers, patients, and their families. Official reports about dietary guidelines, advice, and government research help readers gain insights into specific digestive disorders from trustworthy and up-to-date sources.

Studies & Statistics About Digestive disorders

This section is 350 pages and includes detailed reports, maps, graphs, and tables from sources such as the U.S. Department of Health & Human Services, Centers for Disease Control and the National Institutes of Health. Coverage is current, comprehensive, and discusses the prevalence of digestive disorders, treatments, and co-existing conditions. An up-close look at common digestive disorders such as celiac disease, inflammatory bowel disease, irritable bowel syndrome, and lactose intolerance is provided along with statistics relating to each disorder.

Digestive Disorders Resources:

This section includes a wide variety of resources that are available for those living with digestive disorders including digital, print, and website resources as well as hotlines, agencies, and foundations, to name a few.

Comorbid Conditions:

This section details 14 health conditions that commonly occur alongside digestive disorders, including arthritis, cancer, migraine, and more. Each section provides background information on the condition which is followed by an in-depth list of resources available for those affected by each condition.

Additional sections include **Glossary, Entry Index, and Geographic Index.**

Free Online Access

In addition to the print directory *Digestive Disorders Handbook & Resource Guide* includes free online access on the Salem Press/Grey House Online Platform.
