Grey House Publishing Announces the Second Edition of *Financial Literacy Starter Kit*

Grey House Publishing is proud to announce the second edition of *Financial Literacy Starter Kit*. Give your high school students and undergraduates a head start towards financial understanding with ***Financial Literacy Starter Kit***. This greatly expanded second edition provides readers with easy-to-understand guidance on how to manage their finances. Designed for those who are just starting out and for those who may need help handling their finances, this volume outlines, step-by-step, **how to make the most of their money**, which pitfalls to avoid, and what to watch out for, and gives them the necessary tools to make sure they are fully equipped to manage their finances.

Grey House Publishing's ***Financial Literacy Starter Kit*** breaks down the essentials of early financial literacy into easy-to-understand, step-by-step chapters. Readers will learn how to make a budget, manage debt, rent an apartment, buy a car, manage a checking account, calculate the cost of college, pay back student loans, get career advice, and so much more. Geared towards those who are just starting out, this volume provides easy-to-understand guidance on how to make the most out of their money, which pitfalls to avoid, and what to watch out for, to give young adults peace of mind that they are fully equipped to manage their finances after graduation.

Written in accessible language, the ***Financial Literacy Starter Kit*** takes the guesswork out of financial planning—how to manage a checking account, how to stick to a budget, how to pay back student loans quickly—information necessary for students to get started on their financial future.

Each chapter is devoted to a specific topic relevant to those who are just beginning. Combined, they provide students with helpful information on how to best manage their money.

Readers will get immediate answers and helpful guidance about:

- **Starting a Career & Career Advancement - NEW**
- **Buying a Car - NEW**
- **Renting an Apartment - NEW**
- **Calculating the Cost of a College Education - NEW**
- **Student Loans, Grants & Scholarships - NEW**
- **Understanding Renters' Insurance**
- **Starting a 401(k)**
- **How to Make and Stick to a Budget**
- **Managing Debt**
- **What to Know About Checking Accounts**
- **Understanding Health Insurance Plans**
- **Paying Back Student Loans**
- **Understanding Auto Insurance**

Filled with valuable information alongside helpful worksheets and planning tools, the second edition of *Financial Literacy Starter Kit* will point researchers in the right direction toward a solid financial future, and gives them helpful guidance along the way.
