Grey House Publishing announces the 2026/2027 Edition of the *Older Americans Information Resource*

This sixteenth edition of ***Older Americans Information Resource*** is designed for one of America's largest growing populations, with resources to help aging Americans lead happy and productive lives. Its nearly 10,000 listings, two glossaries, and three indexes have made it a repeat winner of the **National Mature Media Award**, recognized as "the best in advertising, marketing and educational materials for older adults."

Older Americans Information Resource, 2026/27 is an invaluable resource that offers up-to-date information on the prevalent social, health, and financial issues facing American senior citizens in the 21st century, as well as recreational and educational opportunities to enrich their lives.

Following the Introduction, is a detailed Profile of Older Americans from the Administration on Aging defines America's seniors by 14 categories, including future growth, income, employment and care giving. Also included is a thirty-three-page guide on healthy aging, and a statistical report with key indicators of older Americans well-being.

Detailed Listings of Organizations and Support Services
The *Older Americans Information Resource* includes detailed listings including name, address, phone, fax, web sites, key personnel, and brief descriptions divided into 12 major chapters, including;

- *National Organizations & Federal Agencies*
- *State Organizations & Government Agencies*
- *Awards, Honors & Prizes*
- *Continuing Education*
- *Disability Aids & Assistive Devices*
- *Travel & Recreation*
- *Health Conditions: Associations, Publications, Research Centers & Web Sites*
- *Assisted Living Facilities*
- *Independent Living Centers*
- *Legal Aid Resources*
- *Libraries & Information Centers*
- *Print Resources for Older Americans*

The chapter on *Health Conditions* includes 18 specific conditions including *AIDS, Alzheimer's Disease and Dementia, Depression, Hypertension, Stroke,* and *Visual Impairment.* Each of these sections include associations, publications, research centers, web sites, and more.

Valuable Glossaries
Additionally, this resource includes two extremely helpful glossaries. The first, *Glossary of Health and Medical Terms,* with 65 terms that define language found throughout this and other publications, as well as terms used by professionals in the field. The second, *Glossary of Legal Terms*, includes 22 in-depth situations older Americans may commonly find themselves in.

Helpful Indexes
Three indexes offer additional ways to access this resource's content. The *Entry Index* is an alphabetical list of all entries available in the text. The *Geographical Index* lists all Agencies, Associations, Facilities, and Organizations by state. The *Subject Index* organizes appropriate listings by more than 100 categories, from Assisted Living to Wills.

INCLUDES FREE ONLINE ACCESS
A purchase of this print volume includes free online access on the popular Grey House/Salem Press platform. The online database offers the fastest, easiest access to explore this vast array of need-to-know information and helpful resources. Online, users can browse chapters and view the full text, anytime, from anywhere. And, an unlimited users and remote access is always included with our online access.

Praise for previous editions:
" . . . an excellent resource . . . of use to seniors [and] children caring for elderly parents. [It] brings together in one volume a wealth of information to assist elderly Americans. Highly recommended . . ."

-American Reference Book Annual

"Current, comprehensive, and accessible. . . . a solid directory . . ."

-Library Journal

Whether in print, online, or both, the *Older Americans Information Resource, 2026/2027* is the perfect addition to any reference collection that serves this age demographic, including reference departments of public libraries and senior centers.
