**Grey House Publishing Announces the 2023/24 Edition of
*The Complete Resource Guide for People with Chronic Illness***

This widely-hailed resource guide is structured around the 80 most prevalent chronic illnesses and provides a comprehensive overview of the support services and information resources available for people diagnosed with a chronic illness.

Thousands of hours of research have gone into this new 2023/2024 edition. Each chronic illness chapter has been reviewed by a medical editor to make sure the most up-to-date information on symptoms and treatments is included. Plus, we've added hundreds of brand-new entries and updated thousands of existing entries with the latest information.

Here is a sampling of the many disorders that are covered in this helpful volume:

- Asthma
- ADHD
- Autistic Spectrum Disorders
- Cancer
- Congenital Heart Disease
- Down Syndrome
- Growth Disorders
- Hypertension
- Liver Disease
- Mental Illness
- Obesity
- Scleroderma
- Seizure Disorders
- Sleep Disorders
- Substance Abuse
- Tick-Borne Diseases
- War Syndromes

Each chronic illness has its own chapter and contains a brief description in layman's language followed by important resources for National & Local Organizations, State Agencies, Newsletters, Books & Periodicals, Libraries & Research Centers, Support Groups & Hotlines, and Web Sites.

Whether in print or online, this guidebook is an important resource for health care professionals, the collections of hospital and health care libraries, as well as an invaluable tool for people with a chronic illness and their support network. It is a must-have source for public libraries and consumer health collections of all sizes.
