**Grey House Publishing Announces the Spring 2023 Edition of
*Weiss Ratings' Investment Research Guide to Stocks***

Grey House Publishing is proud to announce the publication of the Spring 2023 Edition of *Weiss Ratings' Investment Research Guide to Stocks*. Published quarterly, the *Weiss Ratings' Investment Research Guide to Stock* is the ideal resource for accurate, unbiased ratings and data to help citizens across the U.S. choose the most profitable stock mutual funds at the most efficacious times.

The *Investment Research Guide to Stocks* is divided into seven main sections, preceded by an introductory section and followed by a thorough Appendix. Weiss' complete letter-grade rubric is detailed within the introduction—an easily accessible reference for users researching companies in this *Investment Research Guide*.

The **Introduction** includes “**How to Use This Guide**” as well as an explanation of the Financial Strength Ratings used in the book and page of important warning and cautions for the user to take into account when evaluating stocks.

Section I, Index of Stocks, contains Weiss Investment Ratings, key rating factors, and summary financial data for 11,000 U.S. traded stocks. Over 30 data points are displayed for each stock, including data on Market, Overall Rating, Risk Rating, Reward Rating, Stock Prices, Beta, Ratings Factors, Total Returns, Dividend & Yield, Asset Size, Revenue & Income, Earnings, Effectiveness and Price/Earnings, Price/Sales, Price/Book Valuations.

Section II, Best Performing Stocks, highlights the top stocks with the best financial performance for those who want to achieve the highest return, balanced with the amount of risk.

Section III deals with **High Yield BUYS** and identifies the highest rated stocks that pay dividends.

Section IV details **Stocks with High Volatility**, for those who want to trade their stocks often with a possibility of making a profit from wide swings in price, then stocks with high volatility is the list for them. These stocks may involve more risk but could potentially have a high reward.

Section V contains a list of all **Undervalued Stocks by Sector**, where readers will find highly rated stocks that are undervalued and often overlooked by many investors.

Section VI, BUY Rated Stocks by Sector, makes easy work of locating highly rated stocks within a particular sector.

Section VII, Expanded Analysis of All a Rated Stocks, provides readers with additional data on stocks with our highest investment rating.

Finally, the Appendix section includes an overview about *Weiss Ratings' Investment Research Guides* and a Glossary containing the most important terms used throughout the publication.

Weiss Ratings' Investment Research Guide to Stocks presents the most comprehensive, accurate, and independent analyses and ratings of stocks in an accessible format, so users at any level can easily navigate through this incomparable resource. Since the Investment Research Guide is published quarterly, the information and ratings react quickly to changes in the industry, and users can rest assured that all ratings are up to date. More than ever, consumers need this important information; this guide is a must for all reference collections.
