

Grey House Publishing is updating the *Guide to Health Care Group Purchasing Organizations*, which profiles health care purchasing entities, as well as the institutions they represent. Listings not only include Group Purchasing Organizations, but also other types of organizations that make volume health care purchases, including: multi-hospital corporations, multi-nursing home corporations, alliances, provider management companies, physicians' offices, and integrated delivery networks. Below is the chance for your **FREE LISTING** to appear in the next edition. Please provide as much information as possible, and feel free to fax or email additional listings. Again, there is no cost or obligation to be listed.
