## *Profiles of Illinois*

“...has been fully updated to provide the most accurate statistical information. **An important tool for policymakers and researchers.**”

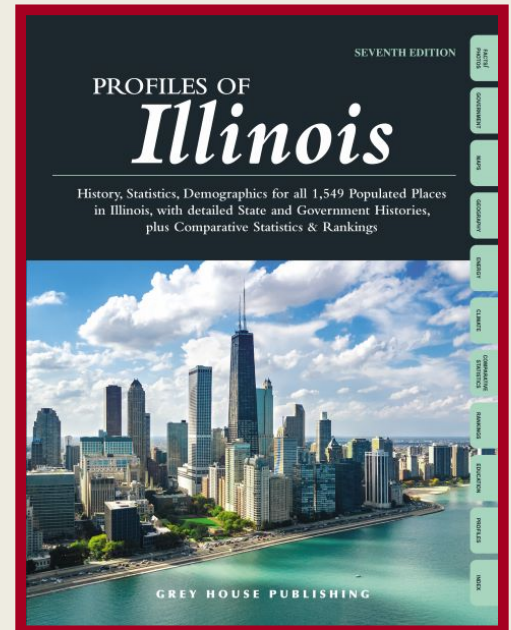

- *Library Journal*

“...**This is certainly a useful tool, with its collection of numbers arranged by category and place...**”

- *ARBA*

“**The statistical data presented here will be useful to researchers ranging from K - 12 students to businesses and scholars.** Some similar data may be found online, but this information is convenient for all libraries interested in Illinois or those interested in acquiring the entire state profiles series.”
