Nations of the World: A Political, Economic & Business Handbook

“An invaluable reference for business travelers, government officials, researchers, and more.”

-ARBA

“...is a comprehensive and authoritative reference that offers more than 2,000 pages filled with facts and figures. The analysis is informed, straightforward, and objective. The volume is well organized and easy to use. Students, business travelers, and tourists will all find a ready place on shelves in undergraduate libraries as well as larger public and high school libraries.”

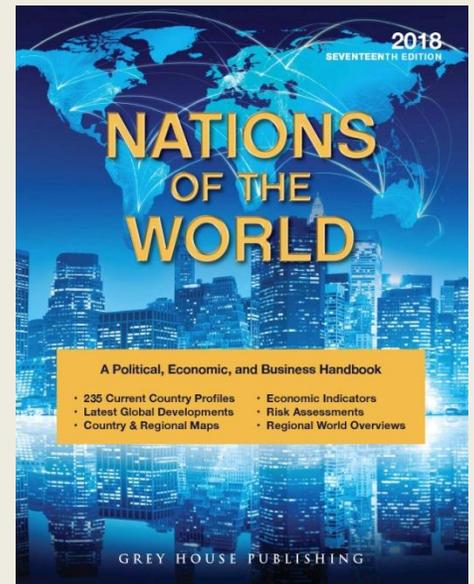

-Against the Grain

“...Pages detail the country’s economic indicators, political machinery, and social structure, including progress made in education, agriculture, industry, and tourism. Tourists will find health precautions and the business directory especially instructive.”

-Library Journal

“This volume is suitable for all levels of readership and expertise and for libraries seeking to cost-effectively meet the information demands of their constituencies...Summing Up: Highly Recommended. Lower-level undergraduates and above; general readers.”

REVIEWS

“Useful for a wide range of questions, Nations of the World is aimed at businesses and business collections. It concentrates on current political, economic and social information... This book is also **quite useful for quickly and easily answering a range of questions...Nations of the World** is a useful addition to both general reference collections and business collections.”

-RUSQ

“For those libraries less interested in a full blown encyclopedia but needing a source for **up-to-date facts and country profiles**, Grey House’s *Nations of the World: A Political, Economic & Business Handbook*... should be a **worthwhile choice.**”

-Against the Grain

“...This is **the most current information available for the political and economic state of the world’s nations.** The information will be helpful for business people interested in doing business overseas and for tourists interested in traveling to these countries.”

-ARBA

“It is **an excellent source of practical and essential information** for people traveling to these countries, and it can serve as a starting point for a country analysis project or research for those considering locating a business in a different country...The book is well organized, accurate, and affordable. This is **a great reference tool for public, academic, and special library collections.**”
