

Financial Literacy: Planning for the Future

“The Weiss Ratings Financial Literacy set is comprised of eight volumes, each of which “provides readers with easy-to-understand guidance on how to manage their finances.” The volumes in the series are as follows: *Living Together, Getting Married, and Starting a Family; Buying a Home for the First Time and Mortgage Shopping; Insurance Strategies to Protect Your Family; Making the Right Healthcare Coverage Choices; Protect Yourself from Identity Theft; Steps for Career Advancement; Saving for Your Child’s Education; and Retirement Planning Strategies & the Importance of Starting Early.* . . . **The Weiss Ratings Financial Literacy should prove to be of great value to consumers and is recommended primarily to public library collections.”**
