

Guide to Life & Annuity Insurers

“This guide would be **extremely useful for consumers or professionals** seeking broad-based insurance institution information.”

-ARBA

“...this **highly informative guide** makes complicated data accessible and thereby empowers consumers.”

-Library Journal

“Weiss Ratings’ is **highly recommended for insurance collections** in special libraries, medium and large public libraries, and medium and large academic libraries.”

-ARBA

“Weiss’ record of spotting weak insurers is so good compared with that of his competitors... insurance buyers need to look no further.”

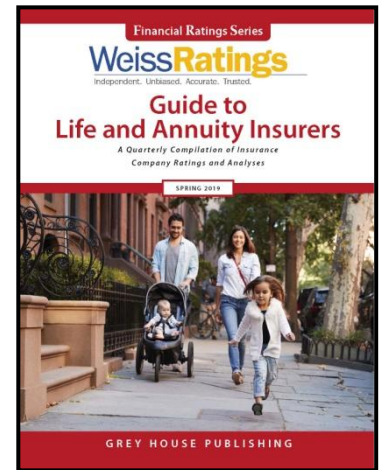

- Worth

“... the ratings are unbiased and are recognized as the insurance industry’s leading consumer advocate... This rating guide is **recommended as a priority purchase** for large public libraries and academic libraries.”

- ARBA

“The value in this guide is that it interprets the data and develops ratios and indexes that the reader must compare to norms.”

- ARBA
