Section Two: Historical Snapshots

This section includes lists of important “firsts” in America, from technical advances and political events to new products, books, and movies. Combining American history with fun facts, these snapshots present an easy-to-read overview of the 2010s.

Early 2010s	159
Mid 2010s	162
Late 2010s	165

Section Three: Economy of the Times

This section looks at a wide range of economic data, including prices for food, clothing, transportation, and housing. It includes comparable figures for expenditures, income, and prices, plus a valuable year-by-year listing of the value of a dollar.

Consumer Expenditures	169
Annual Income of Standard Jobs	170
Selected Prices	172
Value of a Dollar Index 1860-2019.	178

Section Four: All Around Us—What We Saw, Wrote, Read & Listened To

This section offers selections from government statements, speeches, Supreme Court decisions, and other official documents designed to help readers focus on the primary political and social concerns of the 2010s. These 19 original pieces show how governmental and other official representatives framed these concerns and helped Americans make sense of the numerous issues—including race, immigration, gender and sexuality, among others—that helped to define the decade.

All Around Us—2010s	179
