## Volume 1

<b>Publisher's Note and User Guide</b> .....	vii
<b>Section 1. Medical Specialty Index</b> .....	1
An alphabetical cross-reference to the 19 FDA medical specialty categories plus 3,985 standard FDA product headings and the FDA product codes that appear in the Product Directory section.	
<b>Section 2. Keyword Index</b> .....	33
This index lists products alphabetically by more than 1,100 keywords, allowing for grouping of common product names; for example, "Monitors" groups all types of monitors together. This index also includes the 3-character FDA product codes and medical specialties.	
<b>Section 3. Product Directory</b> .....	107
A comprehensive compilation of medical products and their manufacturers. Provides sources for some 4,406 types of products and services. Includes each source's address and phone number. Organized alphabetically by FDA standard product names, and includes associated codes.	
<b>Section 4. Geographical Index</b> .....	1277
Lists all manufacturers profiled in Volume 2, Section I. Organized alphabetically by state, including Canada and Mexico, and then by city or municipality.	
<b>Section 5. Trademarked Product Index</b> .....	1507
An alphabetical list of more than 3,250 trademarked brand-name products and their manufacturers.	
<b>Section 6. Subsidiary Index</b> .....	1551
An alphabetical list of manufacturers and their subsidiaries.	

## Volume 2

<b>Publisher's Note and User Guide</b> .....	vii
<b>Section 1. Manufacturer Profiles</b> .....	1641
Presents detailed information on 13,098 North American manufacturers listed in <i>MDMP</i> . Gives company name, address, telephone and fax numbers, and e-mail and Web site addresses. When available, the profile also includes method of distribution, type of ownership, number of employees, date founded, annual revenue and medical product sales volume, quality system information, federal procurement eligibility, and key executives' names. Also lists each company's products and the medical specialty areas with which the products are associated. Organized alphabetically by company name.	
<b>Section 2. Executive Name Index</b> .....	3685
An alphabetical list of key executives and the page numbers they appear on.
